### Berry-picking

**Blue- and lingonberries** A variety of wild berries grow in our forests, including blueberries, lingonberries, strawberries and raspberries.

Home-made jam makes for a delicious souvenir..

### Guided mushroom-picking

**Mushroom-picking** Join a guided tour with a real expert who will introduce you to new kinds of mushrooms and suggest recipes.

## Fishing and swimming in the lake

**Fishing** Pike, perch, tench, bream, and zander can be fished from two local lakes, Lake Dansjön and Lake Furen. Fishing licenses, which are required, can be bought from us. Rowboats are available in both lakes. We provide life vests for children.

**Swimming** There is a child-friendly beach just 2 km from Gåvetorp.

**Exploring** Use our rowboats to explore the lakes and to discover quiet bays.

Jetty for swimming at the manor.

## Winter

**Skiing** A visit to Gåvetorp during the winter months comes with its own charm. When it has snowed the forest trails make for great cross-country skiing. There is a small hill with a ski lift nearby for downhill skiing, trails for skiing and snow machines.

**Scating** The lakes often freeze over during winter and we would be happy to take you on guided ice-skating tours.

The short days makes for great relaxing in front of the fire with a book.
